There being no further business the meeting adjourned.

Anita Gust
City Clerk

H. A. Fourtner
Mayor

January 6, 1948

The Council met in regular session with Mayor Fourtner presiding. The roll call showed all councilmen present. The Water Collectors report was read. A motion was made by Councilman McGibbon and seconded by Councilman Maxwell that the bills which were approved by the finance committee be allowed and warrants be drawn on the proper funds, except the bills that are over the budget allowance be held over until next month. Motion carried.

Two bids were received for a dump truck for the street department. One from Edmonds Motor Co., for $2374.14 and 2788.66, the bid from Hopper Chev. co. for $2783.

A motion was made by Councilman Waggoner and seconded by Councilman that the bids be referred to the street committee for further investigation and a report be made at the next meeting. Motion carried.

A motion was made by Councilman Clausen and seconded by Councilman McGibbon that the Mayor and Clerk be authorized to sign the contracts with the Puget Sound Power & Light Co., for power for the pumps. Motion carried

A letter was read from Frank O. Sether, Asst. Commissioner of department of Public Lands to Pointer Williamette requesting that a meeting be held as soon as possible. A motion was made by Councilman McGinness and seconded by Councilman Maxwell that February 3rd be set for the hearing, and the Department of Public Lands in Olympia, Pointer Williamette Co., The Chamber of Commerce and Edmonds Port Association be notified of said meeting. Motion carried.

A letter was read from the Edmonds Chamber of Commerce requesting that the Council cancel the removal order of the Pointer Williamette dock, Councilman McGinness read a letter from the trustees of the Edmonds Chamber of Commerce which was addressed to the Park Board in regards to the dock, a motion was made by Councilman McGinness and seconded by Councilman Tucker that this be referred to the Park committee for complete investigation and to bring in a report to the Council. Motion carried.

Attorney Hunter prepared a quit-claim deed from G. A. Carlstedt to the City of Edmonds. Mayor Fourtner referred this to the street committee before we accept it. Also the attorney presented an application for the State Tide Lands, just North of the City limits. Mr. Hunter asked for more time to prepared the Ordinance for the adopting the State Highway Code. He also presented an easement to the Great Northern Railway Co., to cross Dayton Street with a pipe line.

A motion was made by Councilman Tucker that the matter of licensing pin-ball machine be held over until the next meeting. Councilman McGibbon made an amendment to the motion that no license be issued. Attorney Hunter stated that as long as we have an ordinance covering the license of pin-ball machine we would have to issue a license.

Councilman Maxwell reported that there was still a bad condition of water on the Brackett property, and it was suggested a catch basin should be installed to take care of this, he also reported a bad condition of garbage not being taken care of in this neighborhood. Mayor Fourtner referred this to the street committee. A motion was made by Councilman McGinness and seconded by Councilman McGibbon that the street committee be given the power to correct this condition. Motion carried.

Mayor Fourtner appointed Earl Colter as Asst. Street Supt. A motion was made by Councilman McGibbon and seconded by Councilman Maxwell that the appointment be confirmed. Motion carried.

Councilman McGibbon Chairman of the Safety committee stated the committee held a meeting January 6, and recommended the following: 1. A separation be built in the police car, separating the driver compartment from the rear compartment, at an estimated cost of $75, 2, that a stretcher, first aid kit, rope line, flares, flags, etc, be installed as equipment, 3. that public liability property damage, fire & theft insurance be carried on the police car, but no collision insurance, on account of double rates are charged on police cars.

police
4. That a blotter be put in used, which was recommended by the State Auditor also two files to be used by the policemen.
5. Committee recomends that the city install its own gas tank and pump, and purchase gas at wholesale rates, for use by all departments.
6. Recommend that the Chief publicize any special services that the police perform, such as checking street lights, checking homes when occupants are on vacation, etc.
7. Comm. authorize McGibbon to check into needed changes in police car generator and battery set-up.
8. Comm. authorize chairman to call a meeting to include the Fire Chief, asst. Chief and others to discuss needs and future development of the fire department.

Councilman McGibbon stated thatthe action of the gas pump be held up. A motion was made by Councilman Tucker and seconded by Councilman Clausen that this report be accepted. Motion carried,

A motion was made by Councilman McGinness and seconded by Councilman Siefert that Ordinance No. 579, regulating the location of gasoline pumps and further regulating sidewalk crossings from and to automobile service stations in the City of Edmonds and repealing Ordinance No. 577, be published. Motion carried.

There being no further business the meeting adjourned.

City Clerk

F. A. Fourtner
Mayor

January 20, 1948

The Council met in regular session with Mayor Fourtner presiding. The roll call showes all councilmen present. The Treasurers report was read. A motion was made by Councilman McGinness that the two bills for labor be paid and the bill for mr. Shirley be held up. A motion was made by Councilman Tucker and seconded by councilman Waggoner that Mr. Shirley be paid $100 for salary and $.60 for equipment maintenance. Councilman Tucker withdrew his motion. A motion was made by Councilman Clausen and seconded by Councilman Tucker that this bill be paid at this time and at the end of the month he be paid $200 plus overtime for equipment maintenance. Motion carried.

Assessment Roll for L. I. D. 60 came up for hearing. The question was brought up whether is was legal to transfer the money which was left over on the Dayton Street sewer outfall to the MapletStreet Sewer, which is a local improvement District. The Attorney was asked his advice on this. After a conferencetwith the treasurer and Engineer the Attorney asked that the hearing be postponed until the next meeting. A motion was made by C ouncilman Tucker and seconded by Councilman McGinness that this hearing be held over until the next meeting. Motion carried.

A report was made by the street committee about the folling items. That the deed from Mr. Garlstedt be accepted providing there are no back taxes on the property. 2. A catch-basin to be installed at the Northwest corner of the dead-end street of North Sixth street. 3. That Mr. Sheets connect to the sewer. 4. That the bid from Edmonds Moter Co., for a truck be accepted, for $2,872.32, with extras to the amount of $188. The committee also recommend that the old truck be turned over to the water department and a record be kept of the cost of maintainance and operation of each piece of city equipment.

A motion was made by Councilman Waggoner and seconded by councilman Clausen that we accept the bid of the Edmonds Motor Co., including the extras for $3060.32. Carried by a unaminous vote of the Council.

A motion was made by Councilman McGibbon and seconded by Councilman McGinness that the present truck be transferred to the water Department. Motion carried.

A motion was made by Councilman McGinness and seconded by Councilman Waggoner that a system be adopted determining the cost of operation of each piece of equipment, and the heads of each department being responsible for this record. Motion carried.

Councilman Siefert suggested the installing of a pump and gas tank. A motion was made by Councilman McGinness that the Mayor appoint a committee to investigate the cost of this. This was seconded by Councilman Tucker. Motion carried. Mayor Fourtner appointed McGinness, Tucker and Siefert.

The Engineer submitted recommendations for street loads. A motion was made by councilman McGibbon and seconded by Councilman Waggoner that the State road be usedfor heavy traffic vehicles and the lighted roads be used for lighter vehicles. Motion carried.

A motion was made by Councilman McGinness and seconded by councilman Maxwell that the street Supt. install two bus zone loading signs at his earliest convience. Motion carried.

A motion was made by Councilman Siefert and seconded by councilman Waggoner that signs be placed on posts stating the parking time, instead of on the curbs. Motion carried.

A motion was made by councilman Waggoner and seconded by councilman McGibbon that the Safety and street committee investigate the type of sign and location Motion carried.

A motion was made by Councilman McGibbon and seconded by Maxwell that Hal Bigelow be refunded his money which he deposited with the Treasurer several years ago for sidewalks in front of his property. Motion carried.

A motion was made by councilman McGibbon and seconded by Waggoner that Ordinance no. 579 be adopted. Motion carried.

A letter was read from L. C. Weedin in which he claims damage done to his automobile on fifth & Bell Street. The attorney advised the council that this was not a legal claim.

A motion was made by councilman McGibbon and seconded by councilman McGinness that the clerk write the Association of Washington for information on the Employes Retirement fund. Motion carried.

There being no further business the meeting adjourned.

Anita Just
City Clerk

H. A. Fourtner
Mayor

February 3, 1948

The Council met in regular session with Mayor Fourtner presiding. The roll call showed all councilmen present. The Water Collectors report was read.

A motion was made by Councilman McGibbon and seconded by Councilman Maxwell that the bills which were approved by the finance committee be allowed and warrants be drawn on the proper funds. Motion carried.

A motion was made by councilman Tucker and seconded by councilman Clausen that this repair be made and $200 be used from the general fund to pay for same. Motion carried.

A letter was read from Attorney Hunter in regards to the using of money on the Maple street Sewer. He stated he was of the opinion that it is illegal to transfer the balance of the money from the Dayton Street sewer outfall to the Maple street sewer, because when the district was set up, the property owners were to assume the full cost of the project. Mr. Hunter suggested that the State Development Board be contacted and find out if the balance in that fund can be used on some other project. A motion was made by Councilman McGibbon and seconded by councilman Siefert that the attorney's report be accepted. Motion carried. A motion was made by councilman Maxwell and seconded by councilman Tucker that the attorney contact the State Development Board in regards to the balance of funds in the State Development Fund. Motion carried.

A motion was made by councilman McGibbona and seconded by councilman Maxwell that the date for the new hearing on assessment roll #60 be set for March 16. Motion carried.

Mr. Sether, State Land commissioner and two other men from his office were at the meeting in regards to the dock which was built by Pointer Williamette during the war. He stated the dock would be a benefit to small boats as a place for moorage, but cost for maintenance would amount to around $5000. Councilman McGibbon, chairman of the park board stated their estimate was $3000 to make it safe for heavy vehicles. Mr. Sether remarked it was up to the council to decide what they wanted to do. Councilman Waggoner made a motion that the Attorney draw up an application for a lease of the State Park area and extended water-ways, Councilman Tucker seconded the motion. A motion was made by Councilman Maxwell that this be referred back to the park department for further investigation as to the cost of repairs and maintenance. A roll call vote showed McGibbon yes, Tucker yes, Waggoner yes, Siefert no, McGinness yes, Clausen no and Maxwell yes.

City Treasurer Womer stated the Street, Park and Library funds would be short $3000 this year. He stated there would not be sufficient tax money to take care of these items, although they were in the budget. A motion was made by Councilman Siefert and seconded by councilman McGinness that this matter be turned over to the finance committee for an investigation. Motion carried.

Earl Joplin asked for permission to lay asphalt pavement in front of a delicatessen and Grocery store, on fifth avenue south. A motion was made by councilman Waggoner and seconded by councilman McGinness that he be given permission to make these improvements providing curb and gutter are put in under the supervision of the engineer. Motion did not aarry. A motion was made by Councilman Tucker and seconded by councilman Maxwell that he be given permission to pavetwithsasphalt. Motion carried.

Cleve Little reported a drainange condition from Strance property, which was running into the city park.

A motion was made by councilman Tucker that an interest bearing warrant be drawn on the general fund to take care of the expense of the park until tax meney comes in.

A letter was read from Mr. Lovett in which he states he was assessed for property he does not own. The attorney advised the Treasurer that he has a legal right to make the segregation of the property which has been sold. Mr. Lovett was advised to get statements from the County Auditor for the property which was sold.

There being no further business the meeting adjourned.

City Clerk

H. A. Fourtner
Mayor

November 2, 1948

The Council met in regular session with Mayor Fourtner presiding. The roll call showed the following councilmen present McGibbon, Waggoner, Tucker, McGinness and Clausen.

The water collectors report was read. A motion was made by councilman Tucker and seconded by councilman McGibbon that the bills which were approved by the finance committee be allowed and warrants drawn on the proper funds. Motion carried.

A letter was read from Mrs. Talfer, clerk of the School board in which she states that the school Supt. will take care of the removal of dirt from the side walk and the repair of Dayton street will be taken care of as soon as possible. It was reported by the clerk that the contractor asked the Street Supt. to repair the street and bill him for it. A motion was made by councilman McGibbon and seconded by councilman Waggoner that a bill for $80 be sent to the contratcor for the repairing of the street. Motion carried.

Mr. Shaw, Manager of the Puget Sound Power & Light Co., in Edmonds came to the councilmeeting to report on the street lights and also the sub-station on Fourth Ave., south. He told the council 12 new lights would be installed before the end of the year, and the balance of the lights ordered a year ago would be installed as soon as possible next year. In regards to the sub-station on Fourth Ave., South he assured the council there would be no radio interferrence, and there would be no pole yard at this station. He also stated that the station would be built on the back of the lot and a fence would be placed around the lot and plans had been made to landscape the property. Amotion was made by councilman McGinness and seconded by councilman Tucker that we request the Puget Sound Power and Light Co., to beautify this property as much as possible, also to encourage this installation because of the needed power. Motion carried.

A motion was made by councilman McGibbon and seconded by councilman Tucker that the power for the welding machine be ordered immediately. Motion carried

Councilman McGinness reported that the seal-coating job had been completed but recommended the overtime penalty for 59 days, and stated he was in favor of collecting damages at $15 per day.

A motion was made by councilman McGinness and seconded by councilman Tucker that the street Supt. notify the person draining water on First Ave. North to discontinue this immediately. Motion carried.

A motion was made by councilman McGibbon todre-consider the action for the raise in pay.No second. A motion was made by councilman McGibbon and seconded by councilman Waggoner that the clerk get the legal opinion in regards to the raise in salaries. Motion carried.
