

NOVEMBER 18th, 1941.

The Council met in regular session with Mayor Fourtner presiding. The roll call showed the following Councilmen present: H.A. Chandler, C.T. Roscoe, C. Savage, Walter Hansen W. Clausen and W.T. Jones. The minutes of the last meeting were read and approved.

The Water Superintendent took up the water situation of the south part of water system. He explained the necessity of installing approximately 3000 feet of pipe to replace some old wooden pipe and some extensions. After looking over the situation from a map and necessity for making the repairs and extensions the Council on motion instructed the City Clerk to call for bids for 3000 feet of 2 inch cast iron pipe.

The Water Superintendent brought up the water supply situation, stating that it was necessary for the Council to see that there is more water. It has come to a point where there is barely enough water now to supply the wants of the people during the summer months, and next summer there will be a great demand because of new residents, you should prepare for that now.

He explained the well problem and said well men thought we could get all the water we wanted at the south plant.

On motion the Superintendent was given power to (call for bids) to put down a well and have them for the next meeting of the Council.

I.O. Girden was present and explained the W.P.A. situation and stated that the City was facing a very serious problem unless quick action taken. The time for the city to get their set up is only 10 days and that if we want the W.P.A. to make our improvements we would have to move fast. The Mayor explained our proposed improvements and that the City Engineer had instructions to make the proper set up and send it in. Mr. Girden said he would send a man up to the Engineers office in the morning to get the setup of our proposed improvements.

The Chief of Police requested the Council <sup>to</sup> place a siren in his car. On motion the Council granted the request and instructed the City Clerk to purchase one.

The Mayor brought up the sewer cleaner problem, stating that the question had been referred to the City Engineer a month ago and that he had not made any report. On motion the City Clerk was ordered to purchase the sewer cleaner on a 30 days trial.

The Mayor brought up the problem of supplying the City Clerks Office with a much needed chair and lenolium on the floor. On motion the City Clerk was instructed to purchase an office chair and have lenolium placed on the floor.

There being no further business on motion the Council adjourned.
