

DECEMBER 16th, 1941.

The Council met in regular session with Mayor Fournier presiding. The Roll call showed the following Councilmen present: H.A.Chandler, R.T.ROSCOE, W.C.Hanson, W.HANSEN, W.Clausen and W.T.Jones.

The minutes of the last meeting were read and approved.

The City Clerk reported that he had employed Geo.M.Blough to repair the step on the Library entrance, then he came said he could not do it, that left it as it was. Finally I got Mr. Bently to ^{take} it off my hands. He said he would get some one to make the repair.

The proper heating of the Library has been a problem for along time. The City Clerk suggested that a radiator be placed in the floor over the furnace room to take up some of the excess heat in the furnace room that was going to waste. Mr. Bently said he would put in a radiator 12"X18" for \$8.00. On motion the Council instructed him to put one in.

Fred Pickett and other members of the American Ligon and a representative of the County Defence Program, gave an outline of the proposed work to be done. The appointment of officers and the setting up of committees to see that the work was being properly carried on. And that we would have an organization that would function when called upon in time of trouble, if it came.

The Mayor appointed Fred Pickett, of American Ligon, as chairman of the committee on Defense. The Mayor and Pickett to appoint the other members of the committees.

The Chief of Police requested that a light be placed at the door of the furnace room, so he could see to unlock the door at night. On motion the City Clerk was instructed to have the light placed

George Bacon offered the City \$10.00 for an old truck body that the city owns. On motion the City accepted the offer.

The Fire Chief said the City should have six pump cans for protection case of incendiary bombing. On motion the Council instructed the Fire Chief the purchase six pump cans.

The Street Committee recommended that a catch basin be placed at Seventh and Main and at Third and Main, also that an 8 inch tile be laid from Maple Street on Ninth to Shell Creek. On motion the Council approved the recommendation.

Ordinance No. 537, creating a municipal commission, was read and on motion was adopted.

On Motion The Council adjourned until 8 p.m. Friday December 19th, 1941.
