December 21, 1948

The Council met in regular session with Mayor Fourtner presiding. The roll call showed all councilmen present.

A letter was read from the Puget Sound Power & Light Co., in which they state a street light has been installed at the North dead end of Sixth Avenue on November 26, 1948.

A letter was read from Mrs Paul Kalushe in which she states the garbage dump will be filled up within a month, and asks that the city help to exterminate the rats. The Clerk was asked to get in touch with a rat exterminator as to the cost.

A motion was made by councilman Tucker and seconded by councilman Maxwell that the Clerk advertise for land which can be leased for garbage dumping purposes. Motion carried.

A motion was made by councilman Tucker and seconded by councilman McGinness Ordinance No. 584 be adopted and published. Councilman Siefert made an amendment to the motion that the Mayor appoint a committee to meet with the tavern owners to investigate the situation. No second to the motion. Councilman Tucker made a motion to include a clause to exempt charitable orginations from this tax. A roll call vote on the question showed all councilmen in favor except chouncilman Siefert who voted no.

Councilman McGibbon stated that residents living outside the city limits and want fire protection to get in touch with the safety committee.

A motion was made by councilman McGibbon and seconded by councilman Maxwell that the resolution authorizing the work on the testing strip, be changed from the location on Maple street to the City Park property on north third, with the recinding of the previous action.

A motion was made by councilman Tucker and seconded by councilman Maxwell that the Clerk call for bids on a concrete slab at the city park. Motion carried.

A motion was made by councilman McGibbon and seconded by councilman Tucker that the money which was left over from the Dayton street Outfall be used for Automobile testing station at the City park. Motion carried.

A motion was made by councilman Tucker and seconded by councilman Maxwell that the alley between Third & fourth in back of Don Phillips property be blacktopped, on the 40/60% basis. Councilman siefert made an amendement to the motion to turn this over to the street committee. A vote of the council showed the council was not in favor of doing this work.

A motion was made by councilman Tucker and weconded by councilman McGibbon that the street committee investigate the sidewalk adjoining the Phillips property and Richard Brown property and to report to the council as to what can be done. Motion carried.

Councilman Maxwell asked to have the black-top repaired on Ninth Avenue South.

The street Supt. was authorized to add more gravel to the street at the foot of Bell street upon a complaint made by Mr. Thayer.

There being no further business the meeting adjourned.

Asita Busch

City Clerk

H. A. Thayer

Mayor
