

September 18, 1951

The Council met for its regular session with Mayor McGibbon presiding. The roll call showed the following councilmen present Holmquist, Tucker, Tuson, Vollan, Engels, Maxwell and Miller.

The Treasurers report was read to the Council.

Councilman Vollan reported that Mr. Jacobsen would like to have a street light at the foot of Bell street where cars park. This was turned over to the light committee.

A letter was read for the P. U. D. in regards to the installing of the Street lights.

A letter was read from R. W. Kennedy in which he asks for permission to operate a pop-corn machine across from the High School. A motion was made by councilman Maxwell and seconded by councilman Tucker that the Attorney answer this letter, stating that the council is not in favor of this as it is not in the commercial zone. Motion carried.

There being no further business the meeting adjourned, so the committees can work on cutting the budget.
